The wedding of Miss Margaret Susan Hutson to Mr. Byron Bernard Williams took place at 3:30 o'clock last evening in the Pine-Street Baptist Church, the Rev. J. B. Hutson, the uncle of the bride, performing the ceremony.

The church was tastefully decorated with palms and cut flowers. The music was directed by Mr. Reginald Walker and supplemented by both the violin and cornet. The bridal chorus from Lohengrin was the procession song, and Mendelssohn's pink organ, with pink ribbons. The beautiful air, "Hearts and Flowers," was played softly during the ceremony.

The bridegroom was Mr. Oscar Phillips, Jr., Mr. Laughon, Mr. Willard Carney and Mr. H. S. Montgomery. The best man was Mr. Perrin.

A quartette of bridesmaids, Misses Fannie and Annie Hutson, Miss Bessie Benson and Miss Bessie Lee, were gowned in white mousseline, with pink liberty satin sashes. They carried bouquets of pink carnations.

The maid of honor, Miss Mary Hutson, had on white tulle and carried a bouquet of pink carnations. Immediately preceding the bride came two little maidens, Misses Gladys Snider and Martha Johnson, robed in pink and having in their hands baskets wreathed in smiling and sweet with pink and white carnations.

The bride, who is the charming daughter of Mr. and Mrs. James Edward Hutson, wore white liberty silk en traine, and had a shower of bride's roses. A cluster of the same held the folds of her veil in place.

The marriage was witnessed by many of the friends and relatives of the young couple. Afterward they left for their future home on Semmes Avenue, Woodland Heights.

Miss Barber applied for the preparatory class when she went to New York, in order that her course might be thorough. Three months ago she was promoted from the preparatory to the advanced antique class—there being only four such promotions made during the entire year.

Mr. Frederick Dleiman, N. A., lecturer on perspective, voluntarily excused her from the usual rigid examination in this branch, informing her through the principal that her note book was so complete she would never need any other text-book on perspective, and had already prepared a book on the subject.

THE BUSINESS IN COUNCIL

Body Concur in Ordinances Fixing Liquor Licenses and Establishing Substations for Collection of Water and Gas Bills—Gossip.

The called meeting of the Common Council last night was full of public interest, but the matter of perhaps the greatest importance which was disposed of was the adoption of a resolution appropriating \$500 for the employment of an expert electrician to assess the damage done to the water mains by electrolysis and to recommend the best means for its eradication. The ordinance was offered by General Charles J. Anderson, of the Water Committee, and was adopted by a unanimous vote. The original resolution was for \$1,000, but was reduced to meet constitutional conditions on the subject.

An amendment offered by Mr. Pollock was adopted, leaving the selection of the expert to the Superintendent of the Water Works.

Another interesting ordinance hitherto passed by the Board was concurred in by the Board last night. It was to license all saloon-keepers at \$250 per year. There was concurrence in another ordinance of interest providing for the establishment of substations for the collection of gas and water bills.

The following interesting ordinances were offered and referred:

By Mr. Pollock: To establish a hook and ladder house in the West End, to cost not over \$3,000.

By Mr. Pollock: To relieve abutting property owners of the expense of future improvements.

By Mr. Crenshaw: To establish playgrounds and sand gardens for infant children at the New River.

DEATH IN MANCHESTER

Mr. E. O. Angel Dies from Effects of a Wound.

MARRIAGE LAST NIGHT

Central Church Presented a Beautiful Picture—Duval-Graves Nuptials.

During a temporary fit of despondency about noon yesterday, Mr. E. O. Angel, a well known contractor, inserted a pocket knife deeply into his left breast, from the effects of which he died about 7 o'clock last night. The incident, which resulted so fatally, occurred at his home, No. 105 East Eleventh Street. Arrangements for the funeral have not yet been completed.

Mr. Angel was born in Richmond and was in his thirty-second year. He had lived in Manchester for the past three years, where he had engaged in business as a contractor.

He was a very courteous and polite, and will be very much missed by his many friends and acquaintances. He leaves a wife, two daughters and a son. His daughters are Mrs. R. F. Ellington and Miss Alma Angel. His son is Mr. Herbert Angel, who is in the United States navy and is stationed at present in the Philippine Islands. He leaves also three brothers—Messrs. Coleman Angel, of Rich Springs, S. C.; Jacob Angel, of Richmond, and A. P. Angel, of this city.

The news of Mr. Angel's sudden death spread through the city rapidly, and many expressions of regret were made by those who knew him. He was liked by a large circle of friends, whose sympathy is extended to the widow and children. The funeral will probably be from the home to-morrow morning.

POLITICAL POINTS.

Mr. George Hubbard, Jr., the candidate from the Fourth Ward for the Board of Aldermen, is a most popular young man. He will be chosen to fill the vacancy caused by the resignation of Mr. Uiz. If Mr. Hubbard is elected he will be named by the Board to fill out the unexpired term of Mr. Uiz.

Mr. Hubbard is the foreman of the planning committee of the Board of Aldermen. Mr. Archer Hooker, one of the most valuable men in the Board, is up for re-election from the First Ward. His record shows him a man with the interests of the city at heart. He is a member of several important committees, and it is quite likely that the voters of the First Ward will continue his services to them and the city in general.

Mr. Jacobus has served faithfully and efficiently on the board for a number of years, and the announcement last night and this morning of his resignation, brought forth expressions of regret from all of his colleagues. Business and private engagements are given as his reasons for retiring.

At the meeting of the board last night it was shown that every effort was being made to make of the force an efficient one. The list of thirty-one men whose terms expire on July 1st came up for re-election. Every man's record was inquired into. Testimony was given by the chief, the captains and the senior sergeants, and with two exceptions the men were shown to be of the very best class. In the two cases referred to it was shown that the men were Major Howard, termed "good watchmen," but not up-to-date.

WATCHMEN AND POLICEMEN.

"These two men," said Major Howard, "are what I call good watchmen, but they are not good policemen. They are not energetic, they are not up-to-date, they are not up-to-date."

The only man dropped from the list was Policeman Sweeney, of the Second District, who was retired, owing to his continued illness.

NEW POLICEMEN ELECTED.

In his place Mr. W. H. Palmer was elected, upon motion of Commissioner Boshier. Mr. Palmer is a popular young cigar-maker, with a physique that will make of him a typical policeman. He is about twenty-five years old, weighs 150 pounds, is five feet eight and one-half inches in height, and is a native of New York.

Those who were re-elected were: Headquarters, B. F. Howard, chief; G. E. Pollock, clerk.

Weish reported from the First District that twenty-three privates were in line, three sergeants and Captain Shinerger. Mr. Boshier, from the Second District, reported that there were twenty-two men, four sergeants and Captain Hulse in line, and Mr. Landarkin, from the Third District, reported that twenty-four privates, four sergeants and Captain Whitlock were on service.
